Dear Sir:

I have been endeavoring to contact you but have been unsuccessful to date. A Member of my Ball Club, Mr. Leon Day told me I may reach you through this source.

If you are not the property of any other League Club and would like to play with the Eagles this year, please get in touch with me upon receipt of this letter, and come see me upon your arrival in America. Will be glad to discuss contract with you.

Very truly yours,
